

Bristol

With clean lines and timeless style, the Bristol offers flat panel hardwood veneer walls with flat ceiling, matching wood handrail and globe lighting. (Optional custom hardwoods, picture framing and decorative appliques available).

Flat ceiling with globe light standard. Optional picture framing and other optional lighting available.

Matching wood handrail standard

Optional tray ceiling, shown with 4 recessed down lights, can be added to any cab.

Shown in clear coat oak with globe light, matching wood handrail and optional wood flooring.

All cabs come standard with unfinished flooring to allow for installation of tile, hardwood or other floorings of your choice.
